

WORLD TRAVEL MARKET (WTM LONDON)

4 to 6 November 2019

The World Travel Market (WTM) was held in London, United Kingdom from 4 to 6 November 2019. It is an annual event which brings together travel agents, tour operators and tourism boards from around the world to connect through business to business networking. With 5,000 exhibitors and 50,000 visitors, WTM London is the leading global event for the travel industry.

Malaysia and Terengganu's participation this year is significant as both promoted Visit Malaysia 2020 and Beautiful Terengganu. Terengganu introduced its latest icon and tourist attraction, Terengganu Drawbridge, which won 'Best New Tourism Icon' award at the Malaysia Tourism Council Gold Awards 2019 in October. Most impressively, the Terengganu Drawbridge is the first drawbridge in South East Asia.

Terengganu Inc assisted in coordinating the participation of Permai Hotel Kuala Terengganu, Primula Beach Hotel, Duyong Marina & Resort and Paya Bunga Hotel Terengganu which resulted in an overwhelming response. The three days networking event served to showcase Terengganu and our tourism industry as being on par with the best.
