HARNESSING INVESTMENT FOR THE RAKYAT

TDM Berhad concluded its 57th Annual General Meeting (AGM) under the chairmanship of YM Raja Dato' Idris Raja bin Kamarudin. After two consecutive virtual AGMs, the committee was able to conduct the event physically at Paya Bunga Hotel, Kuala Terengganu. All resolutions proposed were approved by the attending shareholders.

YM Raja Dato' Idris shared during the event that as the Group steps into the second year of its 5-year Strategic Business Plan, it is shifting into higher gears to capitalise on favourable macro trends in both plantation and healthcare industries. To date, TDM has already made encouraging progress on its strategic expansion plans and efforts to bring more value from existing assets.

GOLDEN PHAROS BERHAD PAVES THE WAY FORWARD WITH 35TH AGM

On 16th June 2022, Golden Pharos Berhad (GPB) organised its 35th Annual General Meeting at Primula Hotel, Kuala Terengganu. The event was chaired by YBM Dato' Tengku Hassan bin Tengku Omar, the Chairman of GPB, accompanied by Chief Executive Officer, Dr Mohd Zaki bin Hamzah and attended by directors and shareholders of the company.

GPB also announced a 0.90 sen dividend to its shareholders. Hopefully, GPB will continue navigate effectively and increase its competitiveness in the natural resources sector.

HEAD OF COMPANIES MEETING: Q1 SOLID PERFORMANCE

The Head of Companies (HOC) of Terengganu Inc Group gathered on 7 June to discuss business engagements and financial performances for the first quarter of the year. Chaired by the President & Executive Director of Terengganu Inc, YBhg Encik Burhanuddin Hilmi bin Mohamed & Harun, he expressed his optimism about the Group's overall performance in Q1 2022.

Despite the disruptions caused by the pandemic, the plantation and hospitality clusters showed financial increase in revenue with renewed resilience and positive growth momentum that are expected for the rest of the year.

A total of 24 barrels equivalent to 1,200 kilos of old and damaged al-Quran ashes were successfully disposed of around the waters of Pulau Kapas. The disposal operation was performed by SPYIT staff on 15th June 2022.

The method was a controlled item with biodegradable papers, which were incinerated respectfully before scattered in the blue sea.
